

## Hanover Education Foundation Awards Professional Development Scholarship 2009-2010

The Board, Superintendent, and the Hanover Education Foundation (HEF) has awarded the 2009-2010 Superintendent's Professional Development Scholarship to Kimberly J. Harrell, a language arts teacher at Chickahominy Middle School.

Ms. Harrell will use the \$1,000 scholarship to take a writing course at Virginia Commonwealth University, after which she plans to publish a literary magazine at Chickahominy Middle School to provide the opportunity for her students to exhibit their stories and other literary and artistic talents for the student body to enjoy.

The Superintendent's Professional Development Scholarship was initiated by the HEF in 1999 and is awarded annually to provide a professional development opportunity for a promising classroom teacher. The award was presented at the January 12, 2010 meeting of the Hanover County School Board.
