Hanover Education Foundation

2010-2011
ANNUAL REVIEW

Together We Are Supporting Hanover County Public Schools
Last year was a time of change for Hanover County Public Schools and the Hanover Education Foundation. The retirement of our Superintendent, Dr. Stewart Roberson, is a big loss for our school division as he has done so many great things for Hanover County Public Schools and the Hanover Education Foundation. Rising out of that change, however, are great things. The appointment of Dr. Jamelle Wilson as our 12th Superintendent promises great things in the future. Dr. Wilson has served the school division in many capacities – from classroom teacher to Assistant Superintendent of Instruction – over the years. She has been able to observe Dr. Roberson’s leadership so that she can draw from his strengths, but she also will be able to add her exciting new ideas. We are poised for great things in the future with Hanover County Public Schools.

There also has been change on the Board of the Hanover Education Foundation. The terms of Fitz Rogers, Wayne Dishman, Pamela Wratchford, Jeff Robinson, and Ann Smoot as members of the Board of Directors expired this year. They were all fantastic contributors to our Board, but I am confident that the existing board members and our new board members will step up to fill their shoes.

Last year, we had a great year for the Hanover Education Foundation, raising over $322,000.00. In particular, Dr. Roberson allowed us to use his retirement as an opportunity for a fundraiser for the Stewart D. Roberson Professional Development Scholarship. Under the leadership of Sue Forbes Watson, Margaret Hill, and Anita Floyd, we were able to raise $135,000.00 toward that fund. In addition, we were able to award scholarships to 28 students totaling $51,000.00.

In this, my last year as President, I am thrilled to be supported by such a strong Board and a great Executive Committee. We look forward to a great 2011 – 2012!

Vernon E. Inge, Jr., President

Gift Provides Materials for Native American Studies

The HEF was selected by Altrusa International, Inc. of Capital City of Virginia, a community service organization, to receive a $1,500 gift that was distributed between four elementary schools: Cool Spring, Laurel Meadow, Mechanicsville and Rural Point. The funds were used to purchase materials related to Native American awareness. Dawn Turtle Song Washington, a 6th grader at Cool Spring Elementary School, produced and presented a documentary on the life of Pocahontas. Her mother, Leata Two Feathers Washington visited the classroom in traditional Native American dress.
On October 28, 2010, the Hanover Education Foundation (HEF) hosted the 12th Annual Celebration of Excellence in Education. The event was held at the Omni Richmond Hotel to honor outstanding Hanover educators and community members whose significant contributions have supported major education initiatives of Hanover County Public Schools (HCPS).

The Hanover County School Board and government leaders joined Superintendent of Schools Stewart Roberson, school staff members, and community business partners to celebrate awards and recognition garnered by Hanover County teachers, administrators and support staff over the past year.

Music for the evening was provided by the Patrick Henry High School Essence choir directed by Stephanie Ransome. The colors were presented by the Patrick Henry High School NJROTC Color Guard under the direction of MGSt Franklin Dubose, USMC.

Altria Group, Inc., Coventry Health Care, Kings Dominion, Patrick Pontiac Buick GMC and the Rotary Club of Mechanicsville were the major sponsors of the evening. Table sponsors included: Bank of America, Battlefield Commons LLC, Bear Island Paper Company, Bon Secours Memorial Regional Medical Center, Bradley Properties, Inc., Coca-Cola Refreshment, Dominion Virginia Power, EVB, Daniel K. Fryer, Carolyn and Charlie Horner, LeClair Ryan, Luck Chevrolet, Moseley Architects, Owens & Minor, Inc., Scott & Stringfellow, Inc., Ann H. Smoot, The Supply Room Companies, Trane, Village Bank, and VSC Fire & Security. Photography services were provided by Lifetouch National School Studios.

Erin Beard, 2nd grade teacher at Henry Clay Elementary School, was honored as the Hanover Teacher of the Year. Shortly after Ms. Beard had been chosen as Hanover Teacher of the Year, she was awarded the use of a new vehicle of her choosing by Michael Patrick, General Manager of Patrick Pontiac Buick GMC. On the night of the gala, Owen Matthews of Kings Dominion presented
Mrs. Beard with unlimited family visits for the 2011 season.

The Rotary Club of Mechanicsville once again partnered with the Hanover Education Foundation to award teachers with monetary gifts. Mr. Vaughan Alexander, president of the Rotary, was present at the gala.

Other awards and recognitions that were presented at the Celebration of Excellence included the HEF 2011 Partner of Excellence Award, given to Owen Matthews, Director of Finance for Kings Dominion; the Superintendent’s Professional Development Award, Beginning Teachers of the Year Awards, REB Awards, National Board Certification Recognitions, Hanover Support Employee of the Year, Creative Instructional Grant Awards, and the Excellence-in-Educational Leadership Awards.

“The theme for the evening was Hanover’s Got Talent. Thanks to the support of all of our sponsors, we were able to celebrate the talents and creativity of Hanover’s excellent teachers and educational leaders. It was truly a night to remember,” said Margaret Hill, Executive Director of the HEF.

On December 14, 2010, Dr. Stewart D. Roberson, Hanover’s eleventh Superintendent of Schools, announced his retirement from Hanover County Public Schools. To honor the many accomplishments that have been made under his direction, a scholarship has been developed in his name. A scholarship dinner to recognize Dr. Roberson and his 16 successful years of service was held on June 9, 2011, at Randolph Macon College. Guests in attendance included: Former Governor Gerald L. Baliles; Dr. Billy K. Cannady, Jr., Dean of the School of Continuing and Professional Studies at the University of Virginia; Jeffrey R. Beard, Director General for the International Baccalaureate program in Geneva, Switzerland, among many other state and local dignitaries.

The community was invited to participate in this milestone by supporting the Stewart D. Roberson Scholarship. This support will strengthen the important investments provided by Hanover County Public Schools’ excellent faculty, staff, and school leaders, demonstrating further the great value Dr. Roberson has placed on training and professional development needs throughout his distinguished career as an educator and leader. The donations received through this scholarship fund will directly impact thousands of children influenced by each educator in Hanover. One hundred percent of all proceeds will benefit those who teach, lead and care for Hanover’s school children. The scholarship will be managed by the Hanover Education Foundation.

Contributions to the Stewart D. Roberson Scholarship made by check payable to the Hanover Education Foundation (HEF) can be sent to: Hanover County Public Schools, c/o Hanover Education Foundation, P. O. Box 1297, Ashland, VA 23005. For more information, please contact Margaret Hill, HEF Executive Director, at (804) 365-4565 or by email at mhill@bcps.us.

Hanover Education Foundation Awards Superintendent’s Professional Development Scholarship

The Hanover Education Foundation (HEF) has awarded the 2010-2011 Superintendent’s Professional Development Scholarship to Kimberly Jameson-Dean, a Gifted and Talented Resource teacher at Kersey Creek Elementary School.

Ms. Jameson-Dean used the $1,000 scholarship to attend the National Association for Gifted Children’s Annual Convention in New Orleans, Louisiana where she increased her knowledge base in areas such as the social/emotional needs of gifted students and how to best serve dual-identified students. Other goals included gaining more ideas for ways to enrich and accelerate in the core curriculum areas and obtaining more materials which will support student learning. Ms. Jameson-Dean plans to work with Dr. Deborah Waters, principal of Kersey Creek Elementary, to use a faculty meeting or professional development day to share what she learned from the conference.

The Superintendent’s Professional Development Scholarship was initiated by the HEF in 1999 and is awarded annually to a classroom teacher whose potential of achieving greater things with and for students in the classroom would be heightened if afforded a significant professional development opportunity. Funds from this scholarship can support tuition, books, travel and other activities relating to the professional development experience. The award was presented at the February 8, 2011, meeting of the Hanover County School Board.

PGES Principal Rhonda Epling Receives Award

As Hanover’s runner-up for the 2011 R.E.B. Award for Distinguished Educational Leadership, Rhonda Epling, principal of Pole Green Elementary School, received a professional development scholarship from the Hanover Education Foundation in March 2011. This financial award will provide for a block of time for each grade level each day to tutor students in content areas for PGES’s Gator X remediation/enrichment program.
On May 9, 2011, twenty-eight teams competed in the 14th Annual Superintendent’s Business Advisory Committee (BAC) Golf Tournament held at the Hanover Country Club in Hanover County. This event would not be possible without the continued support of our many sponsors. For the eighth year, the tournament was divided into two flights raising more than $24,000 to support Hanover County Public Schools.

Verizon Foundation Grant Supports Reading Olympics

The Verizon Foundation continued their generous support of the Reading Olympics and Reading Olympians programs for 2010-2011 with a $24,750 grant through the Hanover Education Foundation. Verizon has supported “RO” since 2003-2004 with grant contributions now totaling $160,000. Funds are used to purchase books and medals for student participants in grades four through eight.

Reading Olympics and Reading Olympians work in teams to read the year’s selected books and to compete in question/answer events at their schools. Hanover County's middle school teams can advance to county and regional competitions with students from Goochland and King William counties. Since the inception of Reading Olympics in 2001-2002, over 18,000 students have participated in these exciting programs that culminate with spirited competitions!

Randy Dillard, Verizon Area Manager and local grant liaison, has been instrumental in providing not only financial, but personal support of the Reading Olympics and Reading Olympians programs by attending competitions and engaging with students to share the importance of business and foundation support of public education. In his words, “readers are leaders” and the reading comprehension and cooperative teamwork learned through Reading Olympics and Reading Olympians are critical to lifelong success.

THE HANOVER CENTER FOR TRADES AND TECHNOLOGY RECEIVES GRANT – The Greater Richmond Chamber Foundation awards grants to community organizations that help improve the region’s business environment and quality by supporting economic development, regional cooperation, education and leadership development. The Hanover Education Foundation received $10,000 for its work force demands offerings through The Hanover Center for Trades and Technology.
